## Audio script

**Magda:** (talking into phone)  
So...ok...hmm...yeah! That's great news!

**Olivia:** So? Did you get the job?

**Magda:** Yes!!!

**All:** Hooray!! Fantastic! Well done!!

**Magda:** But...

**Harry:** There's always a 'but'...

**Magda:** It's only on a trial basis...just for a month.

**Harry:** Ok, that's pretty normal actually. Most companies do that.

**Olivia:** But they are paying you, yes?

**Magda:** Oh yes, the salary isn't bad. It's not an internship.

**Harry:** I did internships for ages...had to work for a month to get experience – no pay! – and then I never got offered the real job at the end. Like now! I'm doing this work for Johnny's company – they want me to work at weekends too – Saturdays and Sundays – with no extra money!

**Olivia:** That's terrible!

**Harry:** I don't know what to do...I want to say 'no', but I'm afraid I'll lose the job...

**Olivia:** You'll have to think carefully about it!

**Magda:** Or you'll be trying to do an internship again!!! Only joking! It can be important to do an internship if you want to get experience – things to put on your CV...

**Harry:** Yeah, I guess you're right, but I'm past that stage...I've got lots of experience now.

**Magda:** I'm really worried though, about my first day, really nervous. I might be terrible!

**Olivia:** Don't worry Magda, you'll be great. Show them how good you are in the first month and they'll be offering you more money by the second month!

**Magda:** Let's hope so!

**Harry:** What are you going to be doing exactly?

**Magda:** Well, it's a lot of admin work... But I do get a chance to work with the senior partners on some designs.

**Harry:** Great...What is it you do again?

**Olivia:** Harry! How come you always forget this stuff?

**Magda:** Architecture! I'm an architect! I design buildings!

**Harry:** Oh yeah, right, of course...

**Sarah:** She's a good one too, Harry – I've seen some of her drawings. I keep on telling her that she should go to China – there are lots of opportunities there at the moment.

**Magda:** Maybe, one day. That'd be really interesting...How are you, Sarah?

**Sarah:** OK...

**Harry:** How's the new flat?

**Sarah:** That's the problem...

**Olivia:** Oh no! You've only just moved in!

**Magda:** I thought the flat was great...

**Sarah:** The flat is nice, but the problem is the landlord...

**Olivia:** Isn't that Fadi's cousin?

**Sarah:** Yes, exactly...but he's really intrusive.

**Magda:** Intrusive?

**Sarah:** He comes round all the time, wants to know everything about me. I think that if I pay rent, that's it, I shouldn't have to tell him anything else.

**Olivia:** I see...that's not on, is it? Have you mentioned it to Fadi?

**Sarah:** No, I don't know how to. He was so kind helping me get the place. I don't want to seem rude.

**Olivia:** Would you like me to have a word with him?

**Sarah:** Could you? That'd be really great. I'd really appreciate it.

**Olivia:** I'll say something the next time I see him! Promise!
